

WHAT IS STUDENTS STANDING STRONG?

A Student-led club for middle and high school students to connect, develop leadership skills, and find hope through Biblical teaching.

S3 has "Strong Send Off" parties for students leaving elementary school.

Free curriculum, structure and support creates a hope-filled, positive, and energetic place for students to do life together.

HOW DOES S3 WORK?

ON CAMPUS CLUBS

Students connect at school to learn God's word, support, challenge, and encourage one another so they don't feel alone in their faith.

OFF CAMPUS TRAINING

Volunteer adult coordinators help student leaders understand the weekly lesson and acquire leadership skills to make club successful.

S3 provides free curriculum, leadership resources, club structure, and support to ensure S3 student-led clubs run smoothly and effectively.

OUR MISSION

Connecting students on campus to **LEARN, LIVE** and **LEAD** Biblical truth through student-led clubs.

Stand firm, don't let anything move you. Always give yourselves completely to the work of the Lord.

1 Corinthians 15:58 NIV

LEARN

Students use provided curriculum and fun activities to lead classmates in studying what God's Word says and how it applies to their lives.

LIVE

S3 club members take what they learn in their on-campus club and share with other students the hope of Christ in the world's largest youth group, the public schools.

LEAD

Students develop servant leadership skills through leading weekly club meetings and planning outreach events and community service projects.
