WHAT DOES STUDENTS STANDING STRONG HAVE FOR ELEMENTARY STUDENTS?

STRONG SEND-OFF PARTY

S3 offers a fun-filled, spring or summer party for every child in the last grade of elementary school. Students eat, socialize and learn how to rely on Jesus Christ so together they can stand strong in their Christian faith as they enter Intermediate, Middle or Jr. High School. Moms and dads are invited too!

HOW DOES S3 WORK?

SCHOOL CLUBS
Middle and High School Students connect at school so they don't feel alone in their faith. Together they find hope by applying God's Word to their lives through fun and legal student-led clubs.

TRAINING
Adult volunteers help student leaders understand the weekly lesson and develop leadership and public speaking skills. Prayer and preparation make S3 clubs successful.
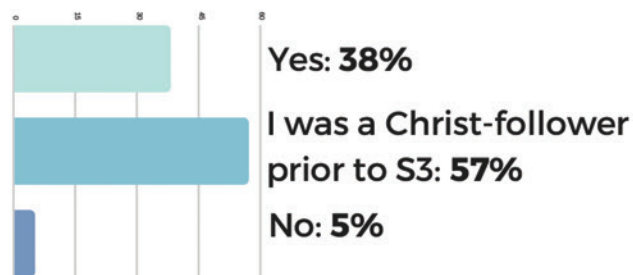

TOOLS
Free lessons, adult volunteer and student leader resources, plus headquarter support create a hope-filled, positive and energetic place for students to do life together.
